SPECIFICATIONS

| | | |
|---------------------|--|---|
| Engine Type | 4-stroke, 1-cylinder, air-cooled with SACS, SOHC | |
| Engine Displacement | 376cm ³ | |
| Bore x Stroke | 82.0mm x 71.2mm | |
| Compression Ratio | 9.0 : 1 | |
| Transmission | CVT, 2-speed forward with reverse | |
| Overall Length | 2060mm | |
| Overall Width | 145mm | |
| Overall Height | 1220mm | |
| Wheelbase | 1270mm | |
| Ground Clearance | 250mm | |
| Seat Height | 840mm | |
| Curb Mass | LT-A400 | 269kg |
| | LT-A400F | 285kg |
| Suspension | Front | Independent, double wishbone, coil spring, oil-damped |
| | Rear | Swingarm type, coil spring, oil-damped |
| Brakes | Front | Disc, twin |
| | Rear | Drum |
| Tyres | Front | AT25x8-12, tubeless |
| | Rear | AT25x10-12, tubeless |
| Ignition Type | Electronic ignition (Transistorised) | |
| Fuel Tank Capacity | 16.0 L | |

Terra Green (YLG)

- 199cm³, 1-cylinder, SOHC engine produces lots of usable torque in spite of its conveniently compact and lightweight design.
- Suzuki Composite Electrochemical Material (SCEM)- plated cylinder for durability, lightweight and superior heat transfer.
- Fuel-injected 376cm³ 4-stroke 4-valve engine with cam profiles and inner structures of the muffler, built for more powerful and efficient performance.
- Fuel injection contributes to smooth power output, especially in the mid-to-high rpm range, as well as more consistent cold starts.
- The fuel injection system uses 3-D ignition maps for optimum ignition, targeting a responsive yet environmentally efficient performance.
- The powerplant is air-cooled with SACS, Suzuki's well-proven, efficient air/oil-cooling system.
- Fully automatic Continuously Variable Transmission (CVT), with an advanced engine braking system that reduces free-wheeling to help control during steep descents.
- A gate-type shift lever allows simple and precise shifting from reverse through neutral, high and low ranges.
- Selectable 4WD. Easy switch into 2WD using a handlebar-mounted lever. (KINGQUAD 400ASI 4x4 only)
- Torque-sensing limited slip differential provides maximum traction and light steering effort when in 4WD mode. (KINGQUAD 400ASI 4x4 only)
- Independent front A-arm suspension. Swingarm rear suspension with unique dual shock absorbers delivers the riding comfort.
- Front brake calipers with a large 34mm piston diameter and matching large brake-pad surface area.
- Sporty bodywork features sharply angled, high-clearance fenders.
- Front bumper with large-diameter steel tubing enhances the robust looks.
- Lightweight and strong plastic skid plates are sturdy enough to withstand pounding of trail hazards yet slippery to help let obstacles slide below.
- Suzuki's exclusive T-shaped seat is designed for all-day comfort and easier body-weight transition.
- Full floorboards with integrated, raised footpegs and ample drain holes.
- Dual 35W headlights with high and low settings and a distinctive KINGQUAD shape.
- LCD digital instrumentation includes speedometer, odometer, tripmeter, hour meter, clock, fuel gauge and indicator lamps for reverse gear, neutral, oil and FI.

Convenient rear rack

12V DC power outlet

LCD digital instrumentation

ATV SAFETY INFORMATION

The Suzuki KINGQUAD 400ASI/4x4 may be used only by those aged 16 and older. ATVs can be hazardous to operate. For your safety, always wear a helmet, eye protection and protective clothing. Always avoid paved surfaces. Never ride on public roads. Never carry passengers or engage in stunt riding. Riding and alcohol or other drugs don't mix. Avoid excessive speed. Be extra careful on difficult terrain. Read your Owner's Manual carefully.

SUZUKI MOTOR CORPORATION

Specifications, appearance, colours (including body colour), equipment, materials and other aspects of the "SUZUKI" products shown in this catalogue are subject to change by Suzuki at any time without notice, and they may vary depending on local conditions or requirements. Some models are not available in some regions. Each model may be discontinued without notice. Please enquire at your local dealer for details of any such changes.

- Always wear a helmet, eye protection and protective clothing.
- Enjoy riding safely.
- Read your Owner's Manual carefully.
- Never ride under the influence of alcohol or other drugs.
