

RUSTLER 500 EFI 4X4

ATV500 is a popular medium-sized product in Linhai. Its self-developed LH188MR single-cylinder water-cooled engine is a powerful engine capable of providing 24kw, which can meet most users' requires. Whether it is for entertainment or work, it can bring you different impact. Ride your favorite Linhai ATV500 to experience the most beautiful scenery of nature. If equipped with EPS, it will make your low speed steering light, high speed steering agile and stable, and your driving will become more relaxed and confident.
